

***Fall Fun Fair***

The Columbus Marriott Northwest in Dublin, Ohio was buzzing on July 30th! Over 366 DAR members from throughout Ohio descended on the Marriott for one day of fact filled activities at this annual event. State officers and Chairs of committees as well as vendors were available to provide information regarding all aspects of DAR and allow for purchasing of materials chapters use on a regular basis as well as lovely jewelry. Members in attendance from our chapter were Jan Mauch, and Debra Patak. Jan is Chair of the state Committee for the Good Citizen Scholarship Award and enjoyed the opportunity to meet chapter chairs from throughout Ohio as they stopped at her table to meet the district vice chairs and to purchase certificates and pins to award their chapter winners.

Debbie became our “Information Specialist” for the day. Jan could not leave her Good Citizens table so it fell to Debbie to spend the day obtaining information for our chapter. This event was one of the biggest in recent years and all of the committees, chairs, officers and vendors were available. New committees include the All Star Academy, the Community Classroom, and the Educational Resources Committee. Please be sure to read your State Newsletter to obtain information about these additions

Special thank you to Debbie for all of her work throughout the day obtaining information for us. Your Regent could not have possibly done all that Debbie did that day. Between Debbie and Jan, new information will be shared at the upcoming September meeting.

***Thank you to Miriam Lillback*** for the lovely framed cross-stitch flag picture that she donated to the State Regent’s \$10 bazaar table at the Fall Fun Fair. Each year each chapter is asked to donate a hand crafted item to place on a table for sale. All proceeds go to the State Regent’s project benefiting special needs at the Waldschmidt Homestead. Miriam’s picture was lovely and your Regent barely placed it on the table before it was snatched up!

Yes, things can get crazy
